Godfrey Memorial Library Research Request Form

| What is your question for the researcher? |
|---|
| |
| To get started, fill in the Family Tree Chart to the best of your ability. Please list additional family information and sources searched on page 2 of the chart. |
| Our expert researchers will look through our sources and provide you with a summary of results, all documents found with citations and suggestions for next steps. |
| The fee is \$30 per hour plus \$.25 per copy. You decide how much time you would like us to spend. You will receive an itemized account of which sources were used for research and what was found in each. |
| Be sure your question is as specific as possible so we can focus our research efficiently. A typical research project can include census records, ship manifests, biographies from genealogies and local histories, cemetery & church records, newspapers, and published vital records. |
| Please keep in mind that the majority available is pre-1940. If you are looking for a later time period or international information our resources are more limited. Every effort is made to provide the data you request, however, there are times when despite everyone's best efforts no information is available. In those cases, research time must still be compensated with your tax-deductible payment. |
| Please give us your contact and payment information below. |
| Name: Address: |
| E-mail Address: Check # |
| Credit Card MC Visa # Exp. Date |
| I agree to pay for hours of research, \$.25 per copy. Sec. Code |

Send to: Godfrey Memorial Library, 134 Newfield St., Middletown, CT 06457
