Godfrey Genealogy Club Meeting

9:30 a.m. at the Library

Share Your Research Success Tips

Genealogy is often an isolating activity, done in libraries and town halls or huddled over our PCs at home. Our next club meeting is a great opportunity to share information with each other to help our research.

Maybe you have

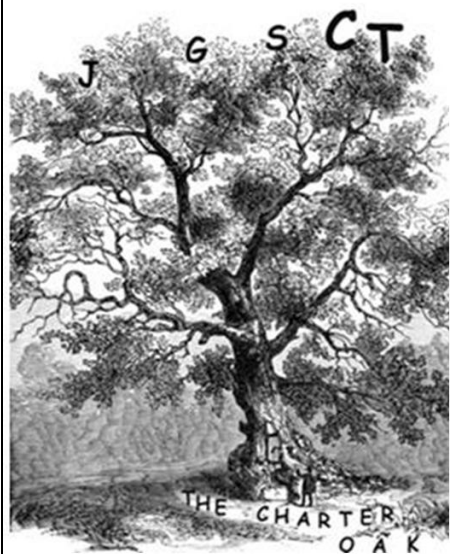

- a story of something you found and how/where you found it
- a recommendation for a website you use a lot
- a trick you use when searching on the internet
- a description of resource(s) you've discovered in an archive
- information about a helpful organization you belong to
- suggestions for useful software or apps
- ways of preserving documents or printing your information for sharing with family

Come share your discoveries with other club members in a informal discussion format.

Participants will have a chance after the presentation to research at the library.

Club membership is \$25 for the year and is tax-deductible. Feel free to bring your own covered drink.
